VOLUME XXI

Welcome To
Our School And Our Town
Brownsboro, Texas

FOREWORD

1968

Look not into the Past ... It comes not again ...
Wisely improve the Present ... It is thine ...
Go forth to meet the shadowy future without fear,
And with a manly heart.

These verses represent a challenge to each and every person who will take it. These people will surely be successful.

Gathered within this book are memories of this school year 1967-68. We hope to have captured for the student body reflections of a wonderful year and its most exciting activities and events. Your enjoyment of this yearbook is our reward.

Now we present the 1968 Bear Tracks; may it bring you much pleasure in the years to come.

DEDICATION

MR. AND MRS.
FLOYD SAYLORS

We, the Annual Staff of 1968, take pleasure in dedicating this yearbook to Mr. and Mrs. Floyd Saylor, two of our most loyal and helpful friends in Brownsboro High School. May this express the appreciation we feel for the many tasks performed by them and also for the support and loyalty shown by them for our school in general.

OUR CAMPUS

ADMINISTRATION

SUPERINTENDENT

MR. G. W. WATSON

To the students and faculty of Brownsboro High School I wish to express my sincere thanks and appreciation for making the school year 1967-68 a year to remember. I wish to congratulate all of the students who have worked so hard to make this year a truly great one.

An annual serves as a record of past accomplishments and memories. To the students who are leaving us, we hope as you look back on your school days this annual will be beyond comparison of any published in the past. And to you who shall remain, we hope that the important experiences of your life will give you the desire to become the worthwhile citizen we know you are capable of being.

George W. Watson

Mr. George W. Watson, Supt.

MR. JOHN SAUNDERS

HIGH SCHOOL PRINCIPAL

Student publications reflect the attitudes, ambitions, and aspirations, as well as the ideals of student bodies. Through the Bear Tracks the editors have contributed to higher ideals for the student body of B.H.S.

It is our hope that members of the class of 1968 will find in the current Bear Tracks reminders that bring back pleasant memories, and that reimpres upon their minds the beneficial aspects of their high school days.

B.H.S. PRINCIPALS

ELEMENTARY PRINCIPAL

The teachers and students of Brownsboro Elementary School may always look back upon 1967-68 as a year of change. May each teacher and each student recall this year as the year in which your new environment inspired you to a higher level of dedication for giving and receiving one of the most important American heritages, a public school education. Thank you for making my job easier and more rewarding through your fine interest and cooperation.

To say the least, our week at Stephen F. Austin was a blast! It was highlighted by the winning of the Spirit Stick and two ribbons. We spent many long but wonderful hours of practice to get them. We made time for mischief, too, even though it was at least 1:00 before we ever got in bed. One of our pranks started Susie. It was one morning about 2:00 when the idea came to us. Everyone woke up our next-door roommates and frantically asked if they had seen Susie. Of course, they said no. Then, out of nowhere, a pair of pigtails named Susan Eberhart came sleepwalking past the door. You should have heard the gasps of surprise! Well, the two Barbaras, Betsy, Dot, Rhonda, and our roommates managed to follow her a few steps down the hall before we burst out laughing. Another time, we wasted a whole tube of toothpaste on door knobs. To the Seniors who won't be with us next year, we hope you'll never forget our happy times.
